

## Puppy Questionnaire

Please provide me with your name, address, phone number and email address.

How did you hear about us?

Gender and color of puppy desired. What made you pick that color and gender?

Have you ever owned a Labrador Retriever before?

Have you ever raised a Labrador puppy before?  
What other breeds of dogs have you owned?

What happened to those dogs?

Have you ever given up a dog to a shelter, breed rescue, or humane society? If so, please explain.

Please list the people living in your household.

Any children? (Please list ages)

Any plans to add children or additional children to your family in the future?

Any other pets?

Do any members of the family have allergies to dogs?

Are any members of the family apprehensive, shy, or fearful around dogs?

What type of house do you live in (house, condo, townhome, apartment?) Do you have a fenced in yard? (Please include type and height)

If you do not have a fenced in yard, how do you plan on providing security for your puppy/dog when it is outside or when you are away?

Is someone home during the day?

If not:

Who will come to the house to take the puppy out throughout the day and feed and potty it?

How long will the puppy be left home alone at any given time?

Will this dog live indoors, outdoors, or both?

Where will you take your puppy for training classes?

Will you be crate training your puppy?

Please provide me with the name, address, and phone number of your veterinarian as a reference.

Have you spoken with any other Labrador breeders, and if so who? Are you currently on any other waiting lists for a puppy?

In as much detail as possible, please tell me what you are looking for in a puppy and what your expectations are for this dog (personality, behavior, traits, temperament, etc.)?

Will you spay/neuter your dog?
